MEMORANDUM OF UNDERSTANDING AMONG IUE-CWA, DELPHI, AND GENERAL
MOTORS CORPORATION INCLUDING MODIFICATION OF IUE-CWA COLLECTIVE
BARGAINING AGREEMENTS AND RETIREE WELFARE BENEFITS FOR CERTAIN IUE-
CWA-REPRESENTED RETIREES**

**INFORMATION FOR IUE-CWA-REPRESENTED
EMPLOYEES AND RETIREES OF DELPHI CORPORATION**

On August 6, 2007, Delphi Corporation and certain of its affiliated debtors and debtors-in-possession ("Delphi"), filed the **Expedited Motion For Order Under 11 U.S.C. §§ 363, 1113, and 1114 and Fed. R. Bankr. P. 6004 and 9019 Approving Memorandum of Understanding Among IUE-CWA, Delphi, and General Motors Corporation, Including Modification of IUE-CWA Collective Bargaining Agreements and Retiree Welfare Benefits For Certain IUE-CWA-Represented Retirees** (the "Motion"), which seeks bankruptcy court approval (subject to ratification by the IUE-CWA) of a memorandum of understanding dated August 5, 2007 (the "Agreement" or "Memorandum of Understanding") among Delphi, General Motors, and the IUE-CWA regarding Delphi's restructuring.

On August 16, 2007 at 10:00 a.m., the United States Bankruptcy Court (the "Court") for the Southern District of New York will conduct a hearing on approval of the Agreement.

If approved by the Court (and ratified by IUE-CWA), the Agreement will go into effect. The Agreement provides, among other terms, that:

- (A) Effective upon the later of entry of this Court's approval order in respect of the Motion or the first Monday following receipt of written notice of ratification from the IUE-CWA:
- The terms of the IUE-CWA CBAs are extended until October 12, 2011;

- A site plan is implemented with respect to each of 7 IUE-CWA-Delphi plants which includes, at certain sites, specific revenue program and production commitments from Delphi and/or GM and pursuant to which Delphi will retain ownership and operations in three facilities, two facilities will be sold or transferred to a third party, and two facilities will be closed;
- A workforce transition program is implemented for traditional IUE-CWA-represented employees that provides eligible employees with transformation plan options including (1) attrition options similar to the previously-approved IUE-CWA attrition program, (2) special employee placement opportunities for eligible Delphi employees who do not elect the attrition options, including relocation allowances of up to \$67,000 in certain circumstances when specific plants cease production, (3) provision of lump sum "buy-down" payments totaling up to \$105,000 for eligible employees who do not elect the attrition option or become employed by GM and continue to work for Delphi under the terms of the Agreement, and (4) severance payments up to \$40,000 to eligible employees who are permanently laid off prior to October 12, 2011;
- Certain terms of the IUE-CWA CBAs are modified with respect to wages and benefits for certain employees including vacation entitlement, life insurance, extended disability benefits, supplemental unemployment benefits, paid holidays, and healthcare;
- Certain terms of the IUE-CWA CBAs are modified with respect to provisions covering hiring requirements, existing JAC/Legal Services,¹ temporary employees, Appendix F, GIS, AOL, LJISA, and other matters described in Attachment E to the Memorandum of Understanding;
- Local negotiations for all Keep and Footprint sites conducted concurrently with the negotiations resulting in the Agreement are final and binding upon ratification of the Agreement;
- All employee, retiree, and union asserted and unasserted claims are settled (except for waiver of rights to vested pension benefits, workers compensation benefits, unemployment compensation benefits, and pending ordinary course grievances of employees remaining in the workforce); and

¹ Capitalized terms used and not defined in this informational notice have the meanings set forth in the Agreement.

- The IUE-GM National Joint Skill Development and Training Committee will quitclaim any rights to the JAC Building to the IUE-CWA International or to an agreed upon not-for-profit entity.
- (B) Effective upon the execution by Delphi and GM of a comprehensive settlement agreement resolving certain financial, commercial, and other matters between Delphi and GM and substantial consummation of a plan of reorganization proposed by Delphi in its chapter 11 cases and confirmed by this Court which incorporates, approves, and is consistent with all of the terms of the Agreement and Delphi-GM settlement:
- Delphi's obligation to provide certain retiree welfare benefits is eliminated and GM is obligated to provide certain retiree welfare benefits for certain IUE-CWA-represented employees covered as provided in the Benefit Guarantee Term Sheet;
 - A transfer of certain pension assets and liabilities from Delphi's pension plans to GM's pension plans is effectuated pursuant to Internal Revenue Code Section 414(l);
 - Delphi's existing pension plan is frozen in certain respects effective upon emergence from chapter 11 and GM is obligated to pay certain benefits for certain IUE-CWA-represented employees covered as provided in the Benefit Guarantee Term Sheet;
 - The IUE-CWA will receive an allowed general unsecured prepetition claim against Delphi in the amount of \$126 million in complete settlement of all asserted and unasserted IUE-CWA claims, including, but not limited to, IUE-CWA/Delphi Joint Activities Center (the "JAC") asserted and unasserted claims ("the Allowed Claim"). The proceeds realized by the IUE-CWA and/or the VEBA trust, from a \$26 million dollar portion of the Allowed Claim will be paid directly to a voluntary employees' beneficiary association (VEBA) trust to be established and sponsored by the IUE-CWA to provide supplemental retiree health insurance to certain eligible Delphi employees and their dependents; the proceeds realized by the IUE-CWA and/or the VEBA trust, from a \$90 million dollar portion of the Allowed Claim will be paid directly to a VEBA trust to be established and sponsored by the IUE-CWA for the purpose of funding employee benefits for active and retired employees and their dependents; and the proceeds realized by the IUE-CWA and/or a VEBA trust, from a \$10 million dollar portion of the Allowed Claim will be paid directly to the successor to the JAC entity which will be established and administered by the IUE-CWA;
 - The Memorandum of Understanding (including the IUE-CWA CBAs) is assumed pursuant to 11 U.S.C. § 365;

- The IUE-CWA released parties are exculpated and released in connection with the Memorandum of Understanding and Delphi's chapter 11 cases; and
- Delphi and GM receive releases from the IUE-CWA, all employees and former employees of Delphi represented or formerly represented by the IUE-CWA, and all persons or entities with claims derived from or related to any relationship with such employees of Delphi arising directly or indirectly from or in any way related to any obligations under the collective bargaining agreements or the Memorandum of Understanding (except for claims for benefits provided for or explicitly not waived under the Memorandum of Understanding, including, but not limited to, workers' compensation benefits against Delphi, its subsidiaries, or affiliates that are otherwise assertable under applicable law).

This list is only a summary of some of the terms of the Agreement and is qualified entirely by and is subject to the actual terms and conditions of the Agreement. A complete copy of Delphi's court papers, including the Memorandum of Understanding, can be obtained at www.delphidocket.com or by calling 1-888-249-2691. Delphi's plan of reorganization will be considered by the Court at a later time and you will receive notice about that proceeding.

A copy of the notice of the Motion is attached hereto.
